Most or all of them, I can explain what their specific role is in the project if you would like.

Hi Jack,

Are all of those folks CC'ed on the email expected to attend?

Thanks,

Chris

Chris and Jeryl,

Following up on our earlier discussion, the Atlantic Richfield team is available to discuss the OU-3 risk assessment on January 7. How does the 1pm-3pm time slot look? If that works on your end we can block off the time on everyone's calendar.

Thanks,

-jack
